

n 1988, Dany and Michel Rolland were asked to be consultants to one of the oldest families in the valley of Calchaquie. There they discovered Cafayate in the north-west of Argentina and they fell in love with the country & winemaking possibilities! Seduced by the remarkable potential of an old Malbec vine perched at an altitude of 6560 feet, Dany and Michel decided to put all their passion and savoir-faire to work with their Argentinean friends to produce the wine called Yacochuya.
