

Founded in 1996, the Demeter Zoltán Pincészet winery produces first class quality wines in Tokaj and is considered one of the most prestigious in the region. Demeter Zoltán studied at the Horticultural University of Budapest, subsequently having completed his education in the US, France and the UK. After having managed a number of foreign-owned wineries in Tokaj-Hegyalja, he began to produce his own wine at the family estate in Sátorajaujhely. Since that time he has acquired other classified vineyards in the region and now owns 7 hectares. His winery is located in the town of Tokaj, at facilities dating back to 1790. Zoltán advocates minimal intervention and usually produces three categories of wine: dry, Föbor (Szamorodni) and Aszú, as well as single vineyard selections that express...

**Properties:** Zoltán has nine different vineyards distributed between the villages of Tokaj, Mad, Bodrogkeresztúr, Rátka and Sátorajaujhely. With a total of 7 hectare, half of his plantings are the variety Furmint, the rest are Hárslevelu & Kövérszolo.

**Production:** 12,000 bottles per year.
