

Situated in Le Mesnil-sur-Oger, Champagne Pertois-Moriset is an independent family-run business since 1951. The current generation, husband & wine team Cécile & Vincent, tend their 13 Ha. of grand cru vineyards with organic and sustainable methods. In fact, the tractor at Pertois-Moriset is 100% electric, the first to be used in Champagne. Pertois-Moriset produces a fascinating range of Chardonnay based champagnes, including single parcel and village denominated wines. They are a member of the prestigious Club Trésors de Champagne, and each year also produce a "Special Club" vintage wine for this organization.

The winery's history begins with the couple formed by Yves Pertois and Janine Moriset, respectively son and daughter of two winemaking families in the Côte de Blancs,...

Properties: 13,4 hectares of Chardonnay vineyards in the Cote des Blancs regions, all Grand Cru, located nearby the village of Le Mesnil sur Oger. They also have 7.3 hectares of Pinot Noir & Chardonnay further south, in the Côte Sézanne.

Production: 90,000 bottles annually, of which 70% are exported.
