

TYRRELL'S

Winemakers in the Hunter Valley for more than 160 years, the Tyrrell family has amassed an unrivalled knowledge of one of Australia's greatest winegrowing regions. Nestled in the foothills of the Brokenback Range, the estate owns a unique patchwork of vineyards in a diverse range of soils, from sandy loams on ancient creek beds to heavier red clays over limestone, with many "sacred sites" bearing vines over 100 years old. Tyrrell's has been instrumental in establishing Hunter Valley Semillon as one of the world's iconic wine styles and their Vat 1 Semillon is Australia's most awarded white wine, having won almost 5,500 medals and more than 330 trophies.

Over those 160-plus years, Tyrrell's has been a constant in both the Hunter Valley and Australian wine industries. ...
