

Vigna Traverso was founded in 1998 by Giancarlo Traverso with the goal of producing the finest wines possible from the region of Friuli. It is run by Stefano Traverso, the founder's son, along the strictest standards, a strategy which has obviously paid off, as Vigna Traverso, in less than ten years, has become one of the quality leaders in the region.

**Propiedades:** 16 hectáreas de viñedos cultivados en bancales en las colinas que rodean la bodega ubicado en Prepotto, Friuli, justo en la frontera con Slovenia. Las variedades principales son Schioppettino, Refosco, Merlot, Pinot Grigio, Friulano, Ribolla Gialla, Chardonnay y Muscat.

**Producción:** 80.000 botellas por año
